Civil No.: 21-15031

THE STATE OF NEW JERSEY and
THE NEW JERSEY DEPARTMENT
OF CORRECTIONS,

Defendants.

SETTLEMENT AGREEMENT and CONSENT DECREE

I. INTRODUCTION

1. On August 10, 2021, the State of New Jersey, the New Jersey Department of Corrections (“NJDOC”) and the United States of America enter into this Agreement (“Agreement”) with the goal of ensuring that prisoners at the Edna Mahan Correctional Facility for Women (“Edna Mahan”) are provided with constitutional conditions that protect them from sexual abuse by staff.
2. The Civil Rights Division of the United States Department of Justice and the United States Attorney’s Office for the District of New Jersey (“DOJ”) commenced an investigation of allegations of staff sexual abuse at Edna Mahan pursuant to the Civil Rights of Institutionalized Persons Act, 42 U.S.C. § 1997 (“CRIPA”).
3. On April 13, 2020, DOJ issued an investigative notice that concluded that certain conditions at Edna Mahan violated prisoners’ constitutional rights (“CRIPA Notice”). Specifically, DOJ stated that it had reasonable cause to believe that NJDOC violated the Eighth Amendment of the United States Constitution by failing to protect prisoners at Edna Mahan from harm due to sexual abuse by correctional staff.
4. DOJ acknowledges and appreciates the cooperation and good faith shown by the Governor of New Jersey, the New Jersey State Attorney General’s Office, NJDOC’s leadership, and the administration and staff at Edna Mahan. DOJ was given full access to Edna Mahan’s physical plant, its prisoners, its staff, its vendors, and thousands of pages

of documents requested by DOJ and its experts for review. The Governor, the New Jersey State Legislature, and the NJDOC's management team have demonstrated a commitment to improving conditions at Edna Mahan for the prisoners who reside there and staff who work there and have devoted significant effort towards making Edna Mahan a safer facility.

5. DOJ recognizes New Jersey's and NJDOC's high level of cooperation and willingness to enter into this Agreement without the need for litigation. As a result of this cooperation, DOJ, NJDOC, and New Jersey believe this Agreement represents the best opportunity to address the United States' allegations regarding staff sexual abuse at Edna Mahan.
6. In order to resolve the issues pending between the Parties without the expense, risks, delays, and uncertainties of litigation, the Parties agree to the terms of this Agreement as stated below. This Agreement resolves the United States' investigation of Edna Mahan's alleged constitutional violations.
7. This Agreement is being filed in the United States District Court of New Jersey. The Court has jurisdiction over this action pursuant to 28 U.S.C. §1331; 28 U.S.C. § 1345; and 42 U.S.C. § 1997. Venue is proper in this district pursuant to 28 U.S.C. § 1391(b).
8. This Agreement shall constitute the entire integrated Agreement of DOJ and New Jersey. Except for the United States' April 13, 2020, CRIPA Notice, no prior or contemporaneous communications, oral or written, or prior drafts shall be relevant or admissible for purposes of determining the meaning of any provisions of the Agreement.
9. This Agreement is binding upon DOJ and New Jersey, by and through their officials, agents, employees, and successors. This Agreement is enforceable only by DOJ and New Jersey. No person or entity is intended to be a third-party beneficiary of the provisions of this Agreement or any reports drafted, compiled, completed, or filed as a result of this Agreement for purposes of any civil, criminal, or administrative action, and accordingly, no person or entity may assert any claim or right as a beneficiary or protected class under this Agreement or any such reports. This Agreement and any reports drafted, compiled, completed, or filed as a result of this Agreement are not intended to impair or expand the right of any person or organization to seek relief against the NJDOC for its conduct or the conduct of NJDOC employees; accordingly, they do not alter legal standards governing any such claims, including those under New Jersey law. This Agreement and any reports drafted, compiled, completed, or filed as a result of this Agreement do not authorize, nor shall they be construed to authorize, access to any documents created by or in the possession of NJDOC, Edna Mahan, or DOJ by persons or entities not parties to this Agreement. Entrance into this Agreement does not constitute an admission of liability by NJDOC or the State of New Jersey.

24. Edna Mahan shall ensure that all security rounds are documented on bound logs with pre-printed sequential page numbers that do not contain pre-printed rounding times, and that are maintained on each housing unit, or in an electronic format that does not contain pre-established rounding times and is accessible on each housing unit. If a change cannot be made within 30 days, the reason for exceeding 30 days will be documented and notice of the proposed change and reason for exceeding 30 days will be provided to DOJ. NJDOC and Edna Mahan will also provide to DOJ confirmation of completed change once it occurs.

D. Staffing

30. Within four months of the Effective Date, Edna Mahan shall develop a new staffing plan, designating the necessary security and custody posts to be staffed at Edna Mahan, based on gender-responsive principles, that provides for adequate security staffing levels, in accordance with the PREA requirements delineated in 28 C.F.R. § 115.13(a), to protect prisoners from sexual abuse and to achieve compliance with this Agreement on the timelines set out in this Agreement. 32. Edna Mahan will take steps to staff the facility based on the staffing plan within one fiscal year of the completion of each staffing plan. NJDOC intends to seek amendment to the consent order in the matter of *Csizmadia v. Fauver*, Civ. No. 88-786, to enable compliance with this provision. In circumstances where the staffing plan is not complied with, Edna Mahan shall document and justify all deviations from the plan.
33. NJDOC and Edna Mahan shall develop, and implement a plan to recruit and retain women correctional officers at Edna Mahan in a manner that complies with Title VII of the Civil Rights Act of 1964, as amended, 42 U.S.C. §§ 2000e, *et seq.* Edna Mahan's recruitment and retention plan shall be subject to review and approval by DOJ, which approval shall not be unreasonably withheld.

61. Apart from reporting to designated supervisors or officials, staff shall not reveal any information related to an Edna Mahan sexual abuse or sexual harassment report to anyone other than to the extent necessary to make treatment, investigation, and other security and management decisions.
62. NJDOC and Edna Mahan shall continue to report all allegations of sexual abuse and sexual harassment of Edna Mahan prisoners, including third party reports, anonymous reports, and prisoner grievances, to NJDOC's Special Investigation Division ("SID") promptly, but at all times within 12 hours of receipt of the report.
63. NJDOC and Edna Mahan shall report all allegations of sexual abuse of Edna Mahan prisoners, including third party reports, anonymous reports, and prisoner grievances, to Edna Mahan's Administrator, promptly, but at all times within 12 hours of receipt of the report.

I. Protecting Prisoners and Staff from Retaliation

64. NJDOC and Edna Mahan shall protect all Edna Mahan prisoners and staff who report allegations of sexual abuse or sexual harassment or cooperate with sexual abuse or sexual harassment investigations from retaliation by other prisoners or staff, and shall continue to designate Edna Mahan's PREA Compliance Manager with monitoring allegations of retaliation concerning prisoners.
65. NJDOC and Edna Mahan shall employ multiple protection measures, such as housing changes or transfers for alleged prisoner victims, removal of alleged staff abusers from contact with victims, and emotional support services for prisoners or staff who fear

retaliation for reporting sexual abuse or sexual harassment or for cooperating with investigations.

66. Whenever NJDOC or Edna Mahan receive an allegation that an Edna Mahan staff member has engaged in sexual abuse or sexual harassment, Edna Mahan's PREA Compliance Manager and Administrator shall confer to determine whether the staff should be removed from positions of prisoner contact at Edna Mahan until an investigation is concluded. Edna Mahan's PREA Compliance Manager shall document the decision and forward the conclusion to the Department-wide PREA Coordinator.
67. NJDOC and Edna Mahan shall monitor all prisoners and staff who report sexual abuse or sexual harassment and prisoners who have been reported to have suffered or cooperated with sexual abuse or sexual harassment investigations from retaliation by other prisoners or staff for at least 90 days following a report of sexual abuse or sexual harassment, to see if there are changes that may suggest possible retaliation by prisoners or staff, including prisoner disciplinary reports, housing or program changes, and negative performance reviews or reassignments, and shall act promptly to remedy any such retaliation. NJDOC and Edna Mahan shall continue such monitoring beyond 90 days if the initial monitoring indicates a continuing need, as determined by NJDOC and Edna Mahan. In the case of prisoners, such monitoring shall also include periodic status checks.
68. If any other individual who cooperates with an investigation expresses a fear of retaliation, NJDOC and Edna Mahan shall take measures they deem appropriate to protect that individual against retaliation.

J. Response to an Allegation of Sexual Abuse and Sexual Harassment

NJDOC and Edna Mahan shall ensure that all Edna Mahan prisoners who are alleged victims of sexual abuse and sexual harassment are offered timely, unimpeded access to crisis intervention services as appropriate and that staff appropriately respond to and counsel the alleged victim while taking steps to preserve evidence and protect the victim, consistent with 28 C.F.R. § 115.64. Accordingly:

69. When NJDOC or Edna Mahan learns that a prisoner may be subject to a substantial risk of imminent sexual abuse, NJDOC or Edna Mahan shall take immediate action to protect the prisoner.
70. Edna Mahan shall not place in involuntary restricted housing a prisoner who is alleged to have suffered sexual abuse or sexual harassment solely for the purpose of protecting that prisoner, unless a determination, documented in writing and reviewed by the PREA Compliance Manager or the Edna Mahan Administrator's designee within 24 hours, has been made that there is no available alternative means of separation from likely abusers.
71. If it is necessary to hold prisoners who report sexual abuse or sexual harassment in restricted housing in order to keep them safe from abuse or retaliation, Edna Mahan shall ensure that such prisoners have access to privileges, including visitation, commissary, programming, and vocational opportunities to the extent possible, for example absent a threat to the prisoner's safety as determined by SID.

72. Edna Mahan shall not place in restricted housing a prisoner who is alleged to have suffered sexual abuse or sexual harassment solely for the purpose of interviewing that prisoner as part of an investigation.
73. Edna Mahan shall ensure access for prisoners to outside victim advocates for emotional support services related to sexual abuse by giving prisoners mailing addresses and telephone numbers, where available, of local, state, or national victim advocacy or rape crisis organizations. Edna Mahan shall enable reasonable communication between prisoners and these organizations and agencies in as confidential a manner as possible.
74. NJDOC and Edna Mahan shall continue to maintain memoranda of understanding or other agreements with community service providers that are able to provide prisoners with confidential emotional support services related to sexual abuse or sexual harassment. NJDOC and Edna Mahan shall maintain copies of such agreements.

K. Referrals and Investigations

NJDOC and Edna Mahan shall ensure that all allegations of sexual abuse and sexual harassment at Edna Mahan are promptly, thoroughly, and objectively investigated and appropriately referred for prosecutorial review, and that alleged victims are advised of the outcome of their allegations. Accordingly:

75. Edna Mahan investigators shall continue to investigate allegations of sexual abuse or sexual harassment, consistent with NJDOC policy and New Jersey law. Edna Mahan will continue to refer allegations of sexual abuse and sexual harassment to local prosecutors as appropriate.
76. The provisions in this section that provide deadlines for NJDOC or Edna Mahan's issuance of an investigative report following an allegation of sexual abuse or harassment apply only to administrative investigations undertaken solely by NJDOC or Edna Mahan, and do not apply to criminal investigations undertaken by the prosecutors in collaboration with NJDOC or Edna Mahan.
77. Edna Mahan shall investigate all allegations of sexual abuse or sexual harassment reasonably promptly, thoroughly, and objectively, including third party and anonymous reports. The departure of the alleged abuser or victim from the employment or control of Edna Mahan or NJDOC shall not provide a basis for terminating an investigation. Administrative investigations shall be completed regardless of the results of any criminal investigations and regardless of the subject's continued employment by NJDOC.
78. Edna Mahan shall use investigators who have received special training in institutional sexual abuse. Specialized training shall include techniques for interviewing sexual abuse victims, proper use of *Miranda v. Arizona*, 384 U.S. 436 (1966), and *Garrity v. New Jersey*, 385 U.S. 493 (1967), warnings, sexual abuse evidence collection in confinement settings, and the criteria and evidence required to substantiate a case for administrative action or prosecution referral. NJDOC shall maintain documentation that Edna Mahan investigators have completed the required specialized training in conducting sexual abuse investigations. Consistent with current practice, the Department-wide PREA Coordinator

and Edna Mahan's PREA Compliance Manager shall not serve as investigators for sexual abuse investigations.

79. All NJDOC or Edna Mahan investigative staff must disclose any personal relationships with Edna Mahan staff who may be the subject of a current investigation, and must recuse themselves from participating in an investigation involving any Edna Mahan staff member with whom they have a personal relationship. A "personal relationship" is any relationship that interferes with the investigator's ability assess the facts of the investigation in an objective manner, including relationships with a family member, business partner, roommate, cohabitant, or person with whom they are involved in a dating or close social relationship.
80. The credibility of an alleged victim, suspect, or witness shall be assessed on an individual basis and shall not be determined by the person's status as prisoner or staff, consistent with 28 C.F.R § 115.71.
81. Within 90 days after an allegation of sexual abuse or sexual harassment is referred for investigation, NJDOC or Edna Mahan shall issue a written investigative report that indicates whether the allegation is substantiated, unsubstantiated, or unfounded. If the matter is referred to prosecutorial review, this 90-day period shall begin to run the day after NJDOC receives the prosecutor's decision as to whether the allegation is criminal or administrative (and therefore will be investigated solely by NJDOC or Edna Mahan). The investigator may request in writing, approved by the facility designee, an extension for cause that identifies the remaining actions necessary to complete the investigation. In no case shall the investigation be deemed to be unfounded solely due to the expiration of the 90 days. The investigative report shall include an effort to determine whether staff actions or failures to act contributed to the abuse, a description of the physical and testimonial evidence, the reasoning behind credibility assessments, and investigative facts and findings.
82. NJDOC shall ensure that an investigative summary sheet that provides an overview of the current status of an investigation is included in the investigative file. The summary information should include, among other things, basic information such as staff name(s), prisoner names(s), location of incident, type of allegation, and the date and time of day of the incident.
83. A review team, including upper-level management officials at Edna Mahan, with input from line supervisors, investigators, and medical and mental health practitioners, shall conduct an incident review within 30 days of the conclusion of every investigation of substantiated and unsubstantiated allegations of sexual abuse by staff. The review team shall:
 - a. Consider whether the allegation or investigation indicates a need to change policy or practice to better prevent, detect, or respond to sexual abuse by staff;
 - b. Examine the area in Edna Mahan where the incident allegedly occurred to assess whether physical barriers in the area may prevent detection of sexual abuse;

- c. Assess the adequacy of staffing levels in that area during different shifts;
 - d. Assess whether monitoring technology should be deployed or augmented to supplement supervision by staff; and
 - e. Prepare a report of its findings and any recommendations for improvement and submit such report to the Department-wide PREA Coordinator, and Edna Mahan's PREA Compliance Manager.
84. NJDOC and Edna Mahan shall review the review team's recommendations for improvement and shall implement them or document their reasons for not doing so.
85. Edna Mahan's Administrator should have access to investigative files once they are complete, as well as the personnel files of involved employees, and regular briefings of PREA investigations that include sufficient details so that the facility Administrator and/or the incident review team has sufficient information to assess the incident and devise and implement any necessary movement, discipline, or corrective action.

L. Physical Plant

86. Edna Mahan shall ensure that access to and from the Edna Mahan compound is through secure, staffed checkpoints only. Specifically, Edna Mahan shall conduct regular monitoring of the perimeters of the Edna Mahan grounds with the goal of preventing entry by persons or contraband outside of the secure checkpoints.
87. Edna Mahan shall ensure that every individual, including all staff, contractors, volunteers, visitors, and government officials entering the Edna Mahan compound receive thorough and effective contraband screening.
88. Edna Mahan shall conduct an inventory of all abandoned, dilapidated, or currently out of use structures on the Edna Mahan compound and develop and implement plans to demolish or secure any out of use buildings that pose a threat to institutional security or provide significant opportunities for sexual abuse.
89. If Edna Mahan determines that it will continue to utilize the old upholstery warehouse, Edna Mahan shall clear the space of unused equipment, inventory, and other visible barriers that pose safety concerns and create blind spots.

92. Within twelve (12) months of the Effective Date, Edna Mahan will draft and/or revise any quality improvement policies and procedures, consistent with the process in the Policies and Procedures Section, Section III.A, to identify and address systemic deficiencies, if identified, in Edna Mahan's sexual safety system.  - a. The RMS shall ensure that trends and incidents involving sexual abuse and sexual harassment are identified and corrected in a timely manner.

- a. Identifying potential patterns, changes, and problem areas (including for individual officers; for individual prisoners; and for housing units); to include problems in Edna Mahan's staffing levels, policies, practices, staff discipline system, and staff and prisoner training/education that might have contributed to those patterns if such patterns reflect increased sexual abuse and sexual harassment, decreased sexual abuse and sexual harassment detection, or inadequate responses to sexual abuse and sexual harassment;

97. NJDOC and Edna Mahan will provide to the Monitor and DOJ on a semi-annual basis a list of all staff members identified through the RMS, and any corrective action, if taken. The fact that a staff member is identified through the RMS does not necessarily mean any corrective action should be taken. On an annual basis, NJDOC and Edna Mahan shall conduct a documented review of the RMS to ensure that it has been effective in identifying concerns regarding policy, training, or the need for discipline. NJDOC and

Edna Mahan will document their review and conclusions and provide them to the Monitor and DOJ.

98. If either the aggregated data referenced in Paragraph 95 indicates in three consecutive RMS reports a consistent failure to improve protection of prisoners from sexual abuse and sexual harassment by staff, or if there are increases in any of the following:

NJDOC and Edna Mahan shall make modifications to Edna Mahan's policies, procedures and/or practices to address the increase within 60 days of the third consecutive report. Nothing in this section prevents NJDOC and Edna Mahan from making modifications sooner than this or as data and/or incidents indicate a need for adjustment.

V. IMPLEMENTATION

99. Within 30 days of the Effective Date, NJDOC will designate an Agreement Coordinator to coordinate compliance with this Agreement and to serve as a point of contact for DOJ and the Monitor.
100. NJDOC and Edna Mahan will create an Implementation Plan that describes the actions NJDOC and Edna Mahan will take to fulfill the obligations under this Agreement. Implementation of this Agreement will be completed in phases as outlined in the Agreement and the Implementation Plan.
101. Within 30 days of the Effective Date, Edna Mahan will provide the first Implementation Plan to DOJ and the Monitor. In its Implementation Plan, Edna Mahan will develop a specific schedule and deadlines for the upcoming year and a general schedule for successive years. In its Implementation Plan, Edna Mahan will develop a specific schedule and deadlines for the first twelve months, in which Edna Mahan will: (a) draft or revise policies and procedures; (b) complete a staffing plan, (c) develop and deliver training to Edna Mahan staff and providers concerning the provisions of this Agreement and Edna Mahan's commitment to fulfilling its obligations under the Constitution; (d) develop and implement an RMS; and (e) develop and implement monthly quality improvement mechanisms to report on aggregate relevant data to prevent or minimize harm to prisoners from sexual abuse.
102. DOJ and the Monitor will provide comments regarding the Implementation Plan (and any revisions to the Implementation Plan) within 30 days of receipt. Edna Mahan will timely revise its Implementation Plan to address comments from DOJ and the Monitor; the Parties and the Monitor will meet and consult as necessary.

103. As needed, Edna Mahan, in conjunction with DOJ and the Monitor, will supplement or revise the Implementation Plan to focus on and provide additional detail regarding implementation activities. Edna Mahan will address in its updated Implementation Plans any areas of non-compliance or other recommendations identified by the Monitor in his or her reports.

VI. NJDOC AND EDNA MAHAN'S REPORTING REQUIREMENTS

105. Each Status Report shall describe the actions NJDOC and Edna Mahan have taken during the reporting period to implement this Agreement and shall make specific reference to the Agreement provisions being implemented. The report shall also summarize audits and quality improvement activities, and contain findings and recommendations that would be used to track and trend data compiled at Edna Mahan.
106. NJDOC and Edna Mahan shall maintain sufficient records to document that the requirements of this Agreement are being properly implemented and shall make such records available to DOJ at all reasonable times for inspection and copying. In addition, NJDOC and Edna Mahan shall maintain and submit upon request records or other documents to verify that they have taken such actions as described in their Status Reports (e.g., census summaries, policies, procedures, protocols, training materials and incident reports) and will also provide to DOJ all documents reasonably requested by DOJ.

VII. DOJ'S RIGHT OF ACCESS

107. DOJ and its attorneys, consultants, and agents shall have access to Edna Mahan, Edna Mahan prisoners, NJDOC and Edna Mahan staff and documents as is reasonably necessary to evaluate compliance with this Agreement. DOJ will provide written notice prior to any site visits. DOJ may participate in any compliance visits by the Monitor.
108. Access is not intended, and will not be construed, as a waiver, in litigation with third parties, of any applicable statutory or common law privilege associated with information disclosed to DOJ under this Agreement.
109. Within 72 hours of an incident or report, NJDOC shall notify DOJ upon any incident or allegations of sexual abuse or retaliation and/or injury requiring emergency medical attention related to an allegation sexual abuse. With this notification, NJDOC and Edna Mahan shall forward to DOJ any related incident reports and medical and/or mental health reports and investigations as they become available.
110. NJDOC shall provide to the Monitor and to DOJ copies of or applicable portions of any formal reports or recommendations from the Office of the Corrections Ombudsperson (not including ordinary course referrals and related documentation) or the Commission to Protect New Jersey Inmates from Sexual Assault and Sexual Misconduct concerning efforts to establish or revise Edna Mahan or statewide policies and procedures, including

reporting and data collection systems, related to sexual abuse or sexual harassment of prisoners.

VIII. PUBLIC TRANSPARENCY

111. Within ninety days of the Effective Date and for the duration of the Agreement, NJDOC will engage with the Edna Mahan Board of Trustees to identify goals, concerns, and recommendations regarding implementation of this Agreement. NJDOC shall conduct periodic, but at least semi-annual, public meetings with stakeholders, including former Edna Mahan prisoners, prisoner advocates, and family members of current Edna Mahan prisoners. The meetings shall serve to provide stakeholders and the public with an update on events, accomplishments, and setbacks during the previous period, and to respond to stakeholders' questions and requests for information related to Edna Mahan. Stakeholders also will be afforded the opportunity to ask questions and make proposals. Additionally, NJDOC and Edna Mahan shall conduct periodic, but at least semi-annual, meetings with available Edna Mahan staff to gather feedback from staff on events, accomplishments, and setbacks during the previous period. Nothing in this Paragraph is intended to create any enforcement rights or standing other than those of the Parties under this Agreement.

IX. MONITORING

112. The Parties agree that Jane Parnell will be the Monitor retained by NJDOC to assess and report whether the provisions of the Agreement have been implemented.
113. The Monitor will be appointed for a period of three years from the Effective Date, subject to an evaluation by the Court to determine whether to extend the Monitor's appointment until the termination of this Agreement as set forth below. In evaluating the Monitor, the Court will consider the Monitor's performance under this Agreement, including whether the Monitor is completing its work in a cost-effective manner and on budget, and is working effectively with the Parties to facilitate Edna Mahan's efforts to comply with the Agreement's terms. The Monitor may be removed for good cause by the Court at any time, on motion by any of the Parties which shall be granted for good cause shown, or the Court's own determination.
114. NJDOC will pay the Monitor a maximum of \$250,000 per year for performing all of the Monitor's duties under this Agreement. The Parties recognize the importance of ensuring that the fees and costs of monitoring the Agreement are reasonable. The Monitor will submit a proposed budget annually to the parties for comment, and to the Court for approval. The Court has the discretion to increase the Monitor's cap by a specific amount for a specific year at the Monitor's request. To grant the request, the Court must find that the increase is necessary for the Monitor to fulfill its duties under the Agreement and is not due to a failure in planning, budgeting, or performance by the Monitor.
115. The Monitor will only have the duties, responsibilities, and authority conferred by this Agreement. The Monitor will be subjected to the supervision and orders of the Court.

116. The Monitor will conduct compliance reviews. The purpose of the compliance reviews is to determine compliance with the material, specific requirements of this Agreement. Compliance reviews will be conducted in a reliable manner based on accepted means and methods. The Monitor will provide the Parties with the underlying analysis, data, methods, and sources of information relied upon in the reviews.
117. Neither NJDOC, Edna Mahan, DOJ, nor any of their staff or agents will have any supervisory authority over the Monitor's activities, reports, findings, or recommendations to implement the Agreement.
118. The Monitor may contract or consult with other persons or entities to assist in the evaluation of compliance. The Monitor will pay for the services out of his or her budget. The Monitor is ultimately responsible for any compliance assessments made under this Agreement.
119. The Monitor will be permitted to engage in ex parte communications with NJDOC, Edna Mahan, DOJ, and the Court regarding this Agreement.
120. In the event the Monitor is no longer able to perform his or her functions, is removed, or is not extended, within 60 days thereof, the Parties will together select and advise the Court of the selection of a replacement Monitor, acceptable to both. If the Parties are unable to agree on a Monitor, each Party will submit the names of up to two candidates, along with the resumes and cost proposals, to the Court, and the Court will select and appoint from among the qualified candidates.
121. Should a Party to this Agreement determine that the Monitor has exceeded his or her authority or failed to satisfactorily perform the duties required by the Agreement, the Party may petition the Court for such relief as the Court deems appropriate, including replacement of the Monitor, and/or any individual members, agents, employees, or independent contractors of the Monitor. In addition, the Court, on its own initiative and in its sole discretion, may replace the Monitor or any member of the Monitor's team for failure to adequately perform the duties required by this Agreement.
122. The Monitor will have full access to persons, employees, facilities, buildings, programs, services, documents, data, records, materials, and things that are necessary to assess Edna Mahan's progress and implementation efforts with this Agreement. Access will include departmental or individual medical and other records. The Monitor will provide 14 days' notice of any visit or inspection to the Agreement Coordinator. Advance notice will not be required if the Monitor has a reasonable belief that a prisoner faces a risk of immediate and serious harm. Access is not intended, and will not be construed, as a waiver, in litigation with third parties, of any applicable statutory or common law privilege associated with information disclosed to the Monitor under this Agreement.
123. NJDOC and Edna Mahan shall direct all employees to cooperate fully with the Monitor.
124. All information obtained by the Monitor shall be maintained in a confidential manner. Nothing in this Paragraph shall limit the access of Edna Mahan or NJDOC to such information.

125. Monitoring Reports:

- a. Within two months of the Effective Date, the Monitor will conduct a baseline site visit of Edna Mahan to become familiar with Edna Mahan and this Agreement.
- b. The Monitor will conduct an on-site inspection and issue a Monitoring Report for Edna Mahan six months after the baseline site visit, and then every six months thereafter. A draft Monitoring Report will be provided to NJDOC and DOJ in draft form for comment at least 30 days prior to its issuance. NJDOC and DOJ will provide comments, if any, to the Monitor within 15 days of receipt of the draft Report. The Monitor will consider the responses of NJDOC and DOJ and make appropriate changes, if any, before issuing the final Monitoring Report.
- c. The Monitoring Reports will describe the steps taken by Edna Mahan to implement this Agreement and evaluate the extent to which Edna Mahan has complied with each substantive provision of the Agreement, as set forth in the numbered Paragraphs herein, beginning with Paragraph 10 and ending at Paragraph 111.
- d. Each Monitoring Report will evaluate the status of compliance for each relevant provision of the Agreement using the following standards: (1) Substantial Compliance; (2) Partial Compliance; and (3) Non-compliance.
- e. The Monitor will review a sufficient number of pertinent documents and interview a sufficient number of staff and prisoners to accurately assess current conditions. The provision of documents and scheduling of interviews shall be set up through the Agreement Coordinator.
- f. Each Monitoring Report will describe the steps taken by each member of the monitoring team to analyze conditions and assess compliance, including documents reviewed and individuals interviewed, and the factual basis for each of the Monitor's findings.
- g. Each Monitoring Report will contain the Monitor's independent verification of representations from Edna Mahan regarding progress toward compliance, and examination of supporting documentation.
- h. Each Monitoring Report will provide specific, non-binding recommendations, if applicable, for each of the provisions in the Agreement outlining proposed actions for at least the next six months for Edna Mahan to complete toward achieving compliance with the particular provision.

126. The Monitoring Reports will be filed with the Court and will be written with due regard for the privacy interests of individuals and will not include any information that could jeopardize the institutional security of Edna Mahan, or safety of Edna Mahan staff or prisoners. The Monitoring Reports will provide relevant evidence regarding compliance. The Court determines the facts regarding compliance and the status of compliance pursuant to Sections X and XI of the Agreement.

127. Nothing in this Section prohibits the Monitor from issuing interim letters or reports to DOJ, NJDOC, Edna Mahan or the Court in this case should he or she deem it necessary.
128. Limitations:
- a. Except as directed by the Court, or as authorized by NJDOC, Edna Mahan, and DOJ acting together, the Monitor shall not make any public statements (at a press conference or otherwise) with regard to any act or omission of NJDOC or Edna Mahan or their agents, representatives or employees, or disclose information provided to the Monitor pursuant to this Agreement.
 - b. The Monitor shall not testify in any other litigation with regard to any act or omission of NJDOC or Edna Mahan or any of their agents, representatives, or employees related to this Agreement, nor testify regarding any matter or subject that he or she may have learned as a result of his or her performance under this Agreement, nor serve as a non-testifying expert regarding any matter or subject that he or she may have learned as a result of his or her performance under this Agreement.
 - c. Unless such conflict is waived by NJDOC, Edna Mahan, and DOJ, the Monitor shall not accept employment or provide consulting services that would present a conflict of interest with the Monitor's responsibilities under this Agreement, including being retained (on a paid or unpaid basis) by any current or future litigant or claimant, or such litigant's or claimant's attorney, in connection with a claim or suit against NJDOC or Edna Mahan, their departments, officers, agents or employees.
 - d. The Monitor and members of the monitoring team are agents of the Court and not employed by the State or Edna Mahan or an agent thereof, and accordingly the records maintained by the Monitor shall not be deemed public records subject to public inspection.
 - e. Neither the Monitor nor any person or entity hired or otherwise retained by the Monitor to assist in furthering any provision of this Agreement shall be liable for any claim, lawsuit or demand arising out of the Monitor's performance pursuant to this Agreement.
129. The Monitor shall provide NJDOC and Edna Mahan with reasonable technical assistance as requested.
130. The Monitor may convene regular monthly conference calls with DOJ, NJDOC, and Edna Mahan to discuss implementation of the terms of the Agreement, updates, and any other items that the Monitor and/or DOJ, NJDOC, and Edna Mahan wish to discuss.

X. ENFORCEMENT

131. The United States District Court for the District of New Jersey will retain jurisdiction over this matter for the purposes of enforcing this Agreement.

132. During the period that the Agreement is in force, the parties shall have semi-annual status conferences with the Court to update the Court on NJDOC's compliance with this Agreement.
133. During the period that the Agreement is in force, if DOJ contends that NJDOC or Edna Mahan has not made material progress toward substantial compliance with a significant obligation under the Agreement, and such failure constitutes a violation of prisoners' constitutional rights, DOJ may initiate enforcement proceedings against NJDOC in Court for an alleged failure to fulfill its obligation under this Agreement.
134. Prior to taking judicial action to initiate enforcement proceedings, DOJ will give NJDOC and Edna Mahan written notice of its intent to initiate such proceedings, and the Parties will engage in good-faith discussions to resolve the dispute.
135. NJDOC and Edna Mahan will have 30 days from the date of such notice to cure the failure or otherwise resolve the dispute through the good-faith discussions. The Parties may agree to extend this time, as reasonable, due to the nature of the issue(s). At the end of the 30-day period (or such additional time as is reasonable due to the nature of the issue[s] and agreed upon by DOJ), in the event that DOJ determines that the failure has not been cured or that adequate remedial measures have not occurred, DOJ may initiate proceedings to address any such failure to cure or take adequate measures. DOJ commits to work in good faith with NJDOC and Edna Mahan to avoid enforcement actions.

XI. TERMINATION

136. Except where otherwise agreed to under a specific provision of this Agreement, NJDOC and Edna Mahan will implement all provisions of this Agreement within three years of the Effective Date.
137. This Agreement may terminate earlier than the three-year period set forth in Paragraph 136, or at any time thereafter, if Edna Mahan has attained substantial compliance with all provisions of this Agreement and maintained that compliance for a period of one year, or as outlined in Paragraph 139, by order of the Court.
138. NJDOC may seek termination of any full substantive section (*i.e.*, any section designated by Roman numeral or capitalized letter, such as "General Policies & Procedures," "Camera Management," "Staffing," etc.) by filing with the Court a motion to terminate that section. The burden will be on NJDOC to demonstrate that Edna Mahan has attained and maintained its substantial compliance as to that section for at least one year.
139. Beginning 24 months after the Effective Date, regardless of this Agreement's specific requirements, this Agreement will terminate, or substantive sections as described in Paragraph 138 may terminate, upon a showing by NJDOC that Edna Mahan has come into durable compliance with the requirements of the Constitution that gave rise to this Agreement. In order to demonstrate durable compliance, NJDOC must establish with the Court that Edna Mahan is operating in accordance with constitutional conditions of confinement and adequate protection from harm from sexual abuse for Edna Mahan prisoners and has been doing so continuously for one year.

140. The burden will be on NJDOC and Edna Mahan to demonstrate maintained substantial compliance with each of the provisions, or with a full substantive section as described in Paragraph 138, of this Agreement. Monitoring assessments confirming compliance shall be considered presumptive proof of compliance. Non-compliance with mere technicalities, or temporary failure to comply during a period of otherwise sustained compliance, will not constitute failure by Edna Mahan to maintain substantial compliance. At the same time, temporary compliance during a period of sustained non-compliance will not constitute substantial compliance.
141. In the event that it becomes impossible for NJDOC and Edna Mahan to satisfy any requirement of this Agreement due to a change of circumstances or the occurrence of other unforeseen circumstances, including but not limited to, a significant change in the size and/or composition of the prisoner population or the unforeseen closure of portion of the facility, then NJDOC and Edna Mahan shall notify DOJ in writing of the specific provisions in the Agreement impacted by the unforeseen circumstances and a description of the unforeseen circumstances rendering performance substantially unlikely or impossible. Upon receipt of the written notice from the NJDOC and Edna Mahan, DOJ and the State shall meet and confer in good faith to determine whether there are reasonable alternatives to the requirements of this Agreement, which NJDOC and Edna Mahan can perform and which satisfy the DOJ's underlying concerns. Nothing contained herein shall amend, increase, negate, or otherwise alter in any way the legal standard for modification of this Agreement.
142. Should any provision of this Agreement be declared or determined by any court to be illegal, invalid, or unenforceable, the validity of the remaining parts, terms, or provisions will not be affected. The Parties will not, individually or in combination with another, seek to have any court declare or determine that any provision of this Agreement is invalid.
143. The Parties agree to work collaboratively to achieve the purpose of this Agreement. In the event of any dispute over the language, requirements or construction of this Agreement, the Parties agree to meet and confer in an effort to achieve a mutually agreeable resolution.
144. This Agreement will constitute the entire integrated agreement of the Parties.
145. Any modification of this Agreement will be executed in writing by the Parties, will be filed with the Court, and will not be effective until the Court enters the modified agreement and retains jurisdiction to enforce it.

XII. GENERAL PROVISIONS

146. NJDOC or Edna Mahan may coordinate with or enter into Memoranda of Understanding with all appropriate State, County, or municipal agencies in order for Edna Mahan to comply with provisions of this Agreement.
147. DOJ and NJDOC will each bear the cost of their own fees and expenses incurred in connection with this case.

148. All services mentioned or described in this Agreement are subject to reasonableness standards and nothing herein will be interpreted to mean that the provision of services are unlimited in amount, duration or scope.
149. The Agreement is binding on all successors, assignees, employees, agents, contractors, and all others working for or on behalf of NJDOC and Edna Mahan to implement the terms of this Agreement.
150. The Parties agree that, as of the Effective Date of this Agreement, litigation between these parties is not “reasonably foreseeable” concerning the matters described in this Agreement. To the extent that any Party previously implemented a litigation hold to preserve documents, electronically stored information, or things related to the matters described in this Agreement, the Party is no longer required to maintain such a litigation hold. Nothing in this paragraph relieves any Party of any other obligations imposed by this Agreement, including the document creation and retention requirements described herein.
151. NJDOC and Edna Mahan will not retaliate against any person because that person has filed or may file a complaint, provided assistance or information, or participated in any other manner in DOJ’s investigation or the Monitor’s activities related to this Agreement. NJDOC and Edna Mahan will timely and thoroughly investigate any allegations of retaliation in violation of this Agreement and take any necessary corrective actions identified through such investigations.
152. Failure by any Party to enforce this entire Agreement or any provision thereof with respect to any deadline or any other provision herein will not be construed as a waiver, including of its right to enforce other deadlines and provisions of this Agreement.
153. The Parties will promptly notify each other of any court or administrative challenge to this Agreement or any portion thereof.
154. The Parties represent and acknowledge this Agreement is the result of extensive, thorough, and good faith negotiations. The Parties further represent and acknowledge that the terms of this Agreement have been voluntarily accepted, after consultation with counsel, for the purpose of making a full and final compromise and settlement of the allegations set forth in DOJ’s CRIPA Notice dated April 13, 2020. Each Party to this Agreement represents and warrants that the person who has signed this Agreement on behalf of a Party is duly authorized to enter into this Agreement and to bind that Party to the terms and conditions of this Agreement.
155. This Agreement may be executed in counterparts, each of which will be deemed an original, and the counterparts will together constitute one and the same Agreement, notwithstanding that each Party is not a signatory to the original or the same counterpart.
156. The performance of this Agreement will begin immediately upon the Effective Date.
157. NJDOC and Edna Mahan will maintain sufficient records and data to document that the requirements of this Agreement are being properly implemented and will make such

records available to the Monitor and DOJ for inspection and copying on a reasonable basis. Such action is not intended, and will not be construed, as a waiver, in litigation with third parties or otherwise, of any applicable statutory or common law privilege associated with such information. Other than to carry out the express functions as set forth herein, both DOJ and the Monitor, and any staff or consultants retained by the Monitor, will hold such information in strict confidence to the greatest extent possible in view of the nature of the information at issue. In the event a subpoena or other information request is served on DOJ seeking documents or information provided to DOJ by NJDOC, DOJ will assert any applicable grounds for non-disclosure, including 28 C.F.R. § 16.26. DOJ shall notify NJDOC immediately in writing if a third party seeks disclosure of NJDOC's documents through an information request, a subpoena, or other means, so that NJDOC may take appropriate action to prevent or limit any objectionable disclosure.

158. "Notice" under this Agreement will be provided by email to the signatories below, and their counsel, or their successors.

**XIII. STIPULATION PURSUANT TO THE PRISON LITIGATION
REFORM ACT, 18 U.S.C. § 3626**

159. DOJ, NJDOC, and Edna Mahan stipulate and agree that this Agreement complies in all respects with the requirements for prospective relief under the Prison Litigation Reform Act, 18 U.S.C. § 3626 (a).
160. DOJ, NJDOC, and Edna Mahan stipulate and agree that all of the prospective relief in this Agreement is narrowly tailored, extends no further than would be necessary to correct the violations of federal rights as set forth by DOJ in its Complaint and Notice Letter, is the least intrusive means necessary to correct these alleged violations, and will not have an adverse impact on public safety or the operation of a criminal justice system.
161. The Parties further stipulate that this Agreement is structured to ensure that it terminates upon NJDOC's showing that it has achieved durable compliance pursuant to Paragraph 139 or as set forth in Paragraph 137.
162. Any admission made for the purposes of this Agreement is not admissible if presented by third parties in another proceeding. No statement in this Agreement shall be intended, implied, or otherwise construed to constitute an admission of fact or law by NJDOC or DOJ and shall not be admissible in any other matter or proceeding involving a third party. The Parties agree that this Agreement does not constitute an admission by NJDOC or Edna Mahan of the truth of any of the conclusions contained in the CRIPA Notice.
