Job Opportunities/Job Placement/Funding Available

Environmental/Solar Panel Technician Training

Camden County College will provide training beginning in late January 2012 in Brownfield Remediation including Clean Energy Technologies at our Camden Campus. Funding for this project is a result of a grant awarded by the EPA to the NJ Department of Environmental Protection.

This 3-month training provides the skills needed to seek employment in the Environmental field. This program offers Camden residents an opportunity to learn the skills needed to secure sustainable employment in the environmental field, including a focus on assessment and cleanup activities.

Graduates of this program will successfully contribute to the green economy after completing the following courses that will be offered beginning January of 2012:

- HAZWOPER (designed to ensure awareness & promote safety for those exposed to chemical hazards)
- Solid Waste Management & Clean up Awareness
- Using Innovative Treatments Awareness
- Solar Panel Installation
- Mold and Mildew Remediation
- Environmental Cleanup Awareness
- Underground Storage Tank Awareness

Core Courses (6) will provide 176 hours of instruction and 18-24 hours of supplemental elective courses. Hands on training will be held in various locations.

Employer partners include the *Salvation Army*, **HUNTER ROBERTS CONSTRUCTION GROUP**, **NEHEMIAH GROUP**, **Coopers Ferry Partnership**, **RESPOND**, *Butterfly Program*, Camden County MUA, **HEART OF CAMDEN**, Camden Redevelopment Agency, **NJ YOUTH CORPORATION**, **Camden City Garden Club**, **NJ TREE FOUNDATION**, and the *Camden County One Stop Career Center* who have committed to participate in recruiting and mentoring the participants.

Contact us to learn more about how participants can become involved with Brownfields cleanups and placed in "green jobs".

This training program is made possible by a grant from the Environmental Protection Agency and NJ Department of Environmental Protection and is conducted by Camden County College.

For more information, contact Camden County College's Continuing Education Division at 420 N. Woodbury-Turnersville Rd. Blackwood, NJ 08012
